

Phase II Water Restrictions - Effective Saturday, March 26, 2011
(Users conducting landscape irrigation with reclaimed water are not restricted)

No irrigating on Mondays, Tuesdays, or Fridays
No irrigating between 8:00 a.m. and midnight

Landscape Irrigation – Established

ODD Numbered Addresses – Irrigation is limited to two days a week, Wednesday and Saturday, between 12:01 AM and 8:00 AM for all types of irrigation.

EVEN Numbered Addresses**– Irrigation is limited to two days a week Thursday and Sunday, between 12:01 AM and 8:00 AM for all types of irrigation.

** Includes even and odd addresses in the same irrigation zone - multi-family, HOA, and common areas with no address.

Any plant material may be watered using low volume irrigation, micro-irrigation, low volume hand watering methods, rain barrels, cisterns, or other similar rain harvesting devices without regard to the watering days and times allowed.

Landscape Irrigation – New (in place less than 60 days)

ALL Addresses – Five days a week, Monday through Friday, 12:01 AM to 8:00 AM for all types of irrigation; low volume hand watering allowed anytime. Irrigation is limited to targeted areas containing 50% or less new landscaping only. If new plantings consist of more than 50% of the area you may irrigate using zone irrigation for the new plantings in that zone.

Landscape Irrigation - Watering-in

ALL Addresses - Watering-in of fertilizers, insecticides, pesticides, fungicides, and herbicides, where recommended by the manufacturer, or by federal, state or local law or best management practices, shall be allowed under the following conditions:

- a. Such watering-in shall be limited to one application unless the need for more than one is stated in the directions for application by the manufacturer
- b. Such watering -in shall be accomplished during the normally allowable watering days and times as stated above.

Irrigation System Maintenance

Existing Systems – Ten minutes per zone per week; a person must be present and working on the system during each such operation.

Other Outdoor Water Uses

Other outdoor water uses, including car, truck, and boat washing, and the washing of exterior home surfaces and roofs, shall be allowed anytime with the use of Low Volume Pressure Cleaning Equipment, Low Volume Mobile Washing Equipment and/or water hose equipped with an automatic self-canceling or automatic shutoff nozzle. In all cases, the water used must drain to a pervious surface or to a water recycling/reuse system.

Questions regarding irrigation restrictions, please call Customer Service at 239-252-2380 or visit the South Florida Water Management District web site [Water Shortage Watch](#).
